SIR,

With reference to your letter No. 6282/J.696 dated 25th November 1895, requesting me to adopt early measures to introduce the Bertillon System of Anthropometry into Mysore, I have the honor to report that the Anthropometrical Instruments have just been received from Calcutta. I have selected the marginally noted Police officers to receive instruction and practical training in Anthropometry, and they will start for Madras on the 8th April 1896.

I have this day asked the Registrar to the Inspector General of Prisons to arrange to send Mr. Hayes, Chief Jailor, to Madras on the above date.

The District Superintendent of Police of the Civil and Military Station has also been requested to send his Police officers to Madras, with the above men, to receive instruction.

I have the honor to be,
Sir,
Your most obedient Servant,

Inspector General
of Police.

SIR,

In continuation of this office No. 3013/314 dated 18th Ultimo, I have the honor to forward herewith copy of letter No. 25 dated 8th instant from the District Superintendent of Police, Civil and Military Station, Bangalore, stating that he is unable to say definitely, on what date he would be able to send his men to Madras, the anthropometrical instruments indented for by him not having been received from Calcutta.

2. It was directed in your letter No. 6289 of the 26th November 1895 that the Police and jail officers should be sent to Madras for instructions "in company with the officers deputed for the purpose by the Police authorities of the Civil and Military station." I was therefore obliged to cancel the arrangement whereby our men were to have reported themselves at Madras on the 8th instant. I shall however arrange to despatch them as soon as the District Superintendent of Police, Civil and Military station, is able to send his men to Madras.

I have the honor to be,
Sir
Your most obedient Servant,

Inspector General of Police.
